Kapitel 10: Neverland 2

Deary, dreary Captain Hook ,
embodiment of adult's boredom,
You're persuing Peter Pan,
the symbol of childish freedom,
wanna kill him,
wanna get him,
but you're failing every try,
wanna catch him,
wanna stop him,
but he's still up in the sky,

Deary, dreary Captain Fail,
Loser-Pirate Neverland's,
as in every fairytale
crocodile's in Peter's hands
wanna flee it,
wanna beat it,
but there's still a ticking noise,
wanna cook it,
wanna burn it,
Believe in you - you've got the choise

"It's a pleasure watching you,
but Captain, don't you want me to
release you from this dreadful beast,
maybe I'd help at least,
all alone in Neverland,
you seem to need my helping hand,
if you won't leave and still return,
this will be your final turn!",
said Peter to you once ago,
your anger's burning down below,
your pride forbids abandoning,
while Peter starts again to sing:

"Captain, childhood is a gift,
Don't know if you got my drift,
but once gone it won't return,
you've got many things to learn"
