Red
English version of "Rot"

Von sutekh_nubt

Kapitel 2: Read

Title: Red
Part: 2/3
Fandom: Harry Potter
Pairing: spoilerrl/ssspoiler
Warnings: death, confusing? (for some readers), BTEM, tense mistakes I just don't get out and missing (?) comma
Rating: G
Disclaimer: My name is not JK Rowling and so I earn nothing with this little thingy. All characters are her property - I just borrow them for playing.

Story: He fell, his face still turned away from his murderers. Without a bang, without a crash, he hit dully the stone floor.
Beta: Snow-chan: Thanks for your comments and amendments!

All they found were a few shaky, fast lines on old paper, folded neatly on the kitchen table of Grimmauld Place 12.

   To ~~the survivors~~ you all who read this
  I know you are surprised about my death. ~~There were good reasons~~ Please do not blame yourself. I have chosen this way myself, since nothing keeps me here. I know I could not keep Teddy, but I also know that Molly will wonderfully take care of another child and bring up Teddy as her own. ~~I have thought deeply and~~
  ~~I will~~
 ~~There is something~~
  I have a mate.
   When I thought he had betrayed me, I have betrayed him. I did not trust him, although he was the only one who has accepted me completely. This, I will never forgive myself.
   I'm sorry, but I do not want to betray him again.
   Remus John Lupin
