

B/V - Loving you

Von YasaiNoVampaia

Kapitel 1:

A/N: Vegetas POV

-

I open up my eyes, but I cannot see.

Starring at the wall.

Bulma sighs and snuggles up to me.

Pulling her into an embrace,

I put my arms around her waist.

"I love you", I whisper in the air.

She giggles - is she awake?

Stroking back her hair,

I look at her.

"I love you too",

Bulma smiles. "I'll always do."
