Kapitel 3: Massage

You let out a long groan, after this rather long day of training. You stretch your back a little, a wince escapes your lips when it cracks. "Ouch," you murmur, while putting on your casual clothes.

Izuku rushes over to you with a concerned look on his face. "Is everything okay?" He has already changed back into one of your beige turtleneck sweaters, at least on him it looks massively oversized. He looks so cute and adorable in it, you think.

"Yeah, just cracked my back ... I'm getting old!" You joke, but Izuku looks still very concerned. You notice the look on his face and smile. "Hey, don't worry about it, it doesn't even hurt that bad."

"But still, I hate to see you hurting." Suddenly, Izuku wraps his arms around you and presses himself against your body. He lets out a purr to soothe you, but also himself. You return the hug and start to rumble. "I could give you a massage, alpha!"

You look down to Izuku and see his wide smile. You let out a sigh and smile at him. "Sure, love, do as you please."

Izuku chirps happily and he drags you to the bedroom where he pushes you into the nest. You lie down on your stomach and he sits astride on your legs. He pushes the sleeves of his sweater up to his elbows.

At first carefully, he starts to apply pressure to your back, his hands wander it up and down, his thumbs running over your spine. You let out a pleased sigh, it feels really good.

"You've become so much stronger!" he says in an amazed voice. "Your control over your quirk is just incredible!"

"Thanks hun, I am happy to hear that!" You turn your head slightly to look at him over your shoulder. "You have gotten stronger too" You mention.

He smiles at you. "Thanks!"

You groan a little when he hit the aching spot. "Aaaaah, yeah, that's the spot!"

"Okay, I'm on it!" He continues to massage the spot that hurts, you start to shamelessly rumble when he does so.

"Have I ever told you, that you are the damn best at massages?" You question.

"No, you have not."

"Damn, Izuku, my dear, you are the damn best at massages!"

"Awww, thank you!" He blushes in happiness and lets out a purr. He continues to work his way over your back.

You let out your scent and a slight spice mixes into it, a signal that you get aroused. Izuku blushes even more when he smells it. "Should I stop?"

"Hmmm." You hip up suddenly, which startles him and he loses his balance and crashes on top of you. You grab his arm and shift your weight, you flip him around and now you are on top. You begin to kiss him, chuckling a little bit. "My beautiful omega!" You nestle against Izuku's neck and carefully nibble at his skin.

"Aaaah, Alpha!" he moans.

You are very pleased with his sounds. "You are just the damn cutest, you are perfect!" You nibble at his earlobe. "How can one person be so damn perfect? How is that fair? Teach me your ways!"

"You're too much, Alpha!" He wraps his arms around your shoulders. "I'm just an average person. Besides, I am just an Omega."

You growl at that. "No, you are not just an omega or an average person. You are the kindest, most selfless person I know. You are a true hero, you are smart, you are brave, you make people smile, you inspire people! You inspired me to be a better person!" You look him deep into the eyes, to solidify your seriousness.

Izuku is whining now, he wraps his arms tighter around your neck and pulls you closer. He snuggles up against you, his scent is pure happiness. "Thank you, alpha! I don't deserve so much praise, but I appreciate it!"

Don't sell yourself short, Izuku, hun, there was a reason why I chose you! You filled my heart with so much awe and joy and sunshine and hope. There is no one better for me than you." You kiss him.

His eyes widen when your hand starts to wander down. "Let me give you a massage too, you deserve it."

"Alpha! I ahhh-" He moans when your hand slips under the sweater, to your joy you realize that he is not even wearing underwear. Your thumb is rubbing over the tip of his penis while the rest of your fingers is pushing inside of his vagina. You chuckle at his flustered expression, even after all this time he is still embarrassed about it. You kiss him more, he is just too cute.

"I'm afraid, I'm getting diabetes in your vicinity, you are so cute!"

"I d-don't deserve a-all that praise, aaahh alpha!" His cheeks are blushed and his breathing gets faster. He returns your kisses. "Y-you are c-clearly better than aaahh anyone e-else!" He throws his head back.

You grin and kiss his throat a few times, before just watching your mate, he lies on your arm and he squirms under your touch. You enter more fingers into him, he starts to produce slick as well. He let's out high pitched chirping sounds, while you move your fingers in scissoring motions inside of him.

"Aaaaah, please, Alpha! Y-your touch is sooo much!" he whimpers. He grabs the edge of the sweater, his scent is all spicy with arousal. He tries to keep his legs still, but he can't help it, you dig your middle finger especially deep inside of him. You can feel the muscles working and clenching around your fingers.

Slick is covering your whole hand and is dripping out of him, into the nest. Sweet cinnamon and vanilla scent is swapping through the entire room.

"Let it all out, hun, you deserve some joy, you were such a good Omega!" You whisper in his ear.

Izuku's face is all red and he bites down on his bottom lip to stifle his sounds. "Y-yes please! I'm good!" he exhales shakily.

"See, wasn't so hard to admit it." You smile at him.

His noises get even higher, the closer he comes to his orgasm. Three of your fingers are as deep as possible inside of Izuku, while your thumb is caressing the tip of his penis. He moves towards your fingers, in the hopes of a quicker release of the tension.

Eventually, he orgasms, another wave of slick flows out of him, he is breathless, red-faced and a shaking mess, his eyes are closed while he lets out a purr to soothe himself. Your fingers still remain a little longer in his vagina. You can feel the last spasms of his muscles, as he is riding on his climax.

"T-thanks A-alpha" he says with a breathless voice.

"Not a problem at all, I have to return the favors, right? My beautiful, strong, amazing omega." You finally pull your fingers out of him, milky white slick is dripping down your fingers. You grin and start to lick the slick off your fingers, you rumble a bit while

doing so. It's incredibly sweet and tastes like cinnamon and vanilla.

Izuku blushes even more, when he sees you doing this. "Y-you are clearly m-much stronger than I am, alpha" he still tries to catch his breath.

You move a little to grab a towel from the drawer of the bedside table. You place it in between Izuku's legs, to catch the slick.

----- (nsfw part over) -----

He looks at you with a loving expression, you kiss him even more. "Sleep, my darling, the exercise was so exhausting.

"If you stay close to me ..." He yawns.

"I will, I'm going nowhere!"

He purrs content and snuggles against you, before he slowly falls asleep. You watch your beautiful mate in awe, he looks so peaceful. A smile spreads over your face.

"I love you so much ..." you press a kiss on his forehead, before shifting into a more comfortable position to sleep too.
